

GENERAL ASSISTANCE (GA) PROGRAM INFORMATION SHEET

California law requires that each county have a program to assist its needy adult population who have not been aided by other State and/or Federal programs. The County of Santa Clara established the General Assistance (GA) Program to meet that requirement. The GA program is 100% funded by the County.

GA provides cash assistance and employment services to Santa Clara County adults with no dependent children and no other means of support. GA regulations are complex and eligibility for the program can only be fully evaluated by an Eligibility Worker. Santa Clara County individuals who need financial help can apply in the following ways:

REIMBURSEMENT OF INTERIM ASSISTANCE

Interim Assistance is the amount of aid the county provides to an individual for meeting basic needs, while the individual's Supplemental Security Income (SSI) application is pending or SSI benefits are suspended or terminated and subsequently reinstated. Individuals must sign an authorization for Interim Assistance Reimbursement prior to being approved for GA.

SPONSORED NON-CITIZEN

Sponsors of non-citizen GA applicants/recipients may be required to repay any GA paid. A lien may be placed on the sponsor's property.

PROPERTY LIMITS:

To qualify for GA, an individual cannot own nonexempt personal property in excess of \$500.

A motor vehicle minus encumbrances worth less than \$4,650, may be exempted.

There is no limit on the value of real property used as a home. Six percent of the value of real property not used as a home is counted as income. Certain other items may also be exempt.

INCOME LIMITS:

All income received from any source must be reported, and all, except for certain inconsequential amounts, are subtracted from the GA grant. If the income is greater than the grant amount, there is no eligibility for GA.

EMPLOYABLE RECIPIENTS:

Employable GA recipients are required to do all of the following:

1. Register for work with State Employment Development Department (EDD).
2. Be available for, and actively seek, full-time employment.
3. Participate in a Supervised Job Search.
4. Participate in a Public Works Program for the monthly mandated hours.
